Hello Alisha,

Due to the current situation (COVID-19), we would like to do a phone conference instead of an in-person meeting. Can you please let us know if the Chairman would like to do a Conference with Darcy O'Connor over the phone?

Hello Alisha:

We received an email from you accepting EPA's invitation to follow up on our previous tribal consultation in response to EPA's July 8, 2019 letter about the Dewey-Burdock Uranium Recovery Site near Edgemont, South Dakota.

Will you be able to provide me with available dates for me to set up this meeting? Since we are experiencing a national emergency due to the COVID-19, we can also schedule this meeting over the phone (Conference Phone Call). Let me know the best option to set up this follow up. Thanks!
